CANTONESE!

By Alaska Lok

## Where is Hong Kong and Guang Dong Province?

- Hong Kong is a well-known city of China. Who is from China? Bruce Lee and Jackie Chan :D.
- It is not its own country! The flag is a representative flag not a national flag.
- 香港特别行政区 is called in English, Hong Kong Special Administrative Region of the People's Republic of China

(Xiang Gang te bie xing zhen qu)  
(Hong Gong da bi hen zhen kui)

**BAM! Right there in the South of China!**

¿¿Where is Hong Kong??

# Weather

- The climate of Hong Kong has very mild winters.
- Hot, rainy, and muggy (unpleasantly humid) summers 30 °C to around 40 °C. So, air conditioner is a must :DDD.
- A common weather phenomenon called the Typhoon usually occurs during the summer months. In other countries they are called, Hurricanes, Cyclones and etc.
- Winter, from December to February, is very mild, with lowest temperature around 15 °C and highest around 20 °C.

# Language

- In Guang Dong Province they speak Mandarin and Cantonese.
- In Hong Kong they mainly speak the dialect Cantonese.

# LETS LEARN Cantonese!
