## About the Japanese culture

---

- All Japanese people don't always drink green tea- They are much more into coffee, and they take up about 85% of all coffee produced in Jamaica.
  - Despite their national sports being Sumo, Baseball in Japan is much more popular
  - There are no ninja's or samurai present in Japan
  - There is a type of "king" ruling Japan, however he acts more like a symbol- he doesn't contribute anything towards any govern related topics, and he cannot make significant change to the country.
  - Japanese people take their shoes off when entering a house
  - It is more common to bow, rather than shaking hands
  - Coughing or sneezing in public is thought to be rude, unless you have masks on
  - There are hardly any Japanese in Japan that can actually speak English
  - Vending machines- They are everywhere, in the streets, in the building, in schools, etc. They also contain so many things, even umbrellas and raincoats!
  - Japan's national sport is Sumo, Judo and Karate
-
