--------	---------------------	---

C.A.S	Managebac records and reflections complete	March 7 th 2024
-------	--	----------------------------

Some dates are close together, take particular note of these and plan ahead.

Take care to plan these deadlines in with your regular homework, revision and preparations for tests.

Students who do not comply with these deadlines risk being withdrawn from the examinations, since failure to hand in the extended essay and internal assessment means that no final grade can be awarded.

NOTE: Assemblies, exam registration and other examination business will take place on Thursday afternoons. Please keep these free for the coming year.
